

Siskiyou Forest Stewardship Workshops Present:

Climate Change in Siskiyou County Forests and Ecosystems in Transition and What we are Doing to Mitigate Impacts Now

Carl Skinner (Retired, US Forest Service Pacific Southwest Research Station), Katherine Fitzgerald (Fish and Wildlife Service), Todd Hamilton (Shasta Trinity National Forest)

**SEPTEMBER 10TH
6:00 – 8:00P.M.**

**LOCATION: SISSON
MUSEUM, MOUNT SHASTA**

Temperatures are rising across the world. What does that mean for Siskiyou County's Forests and Wildlife? Join us for a look at the changes we will see in the coming decades, and the changes we already see.
